1 This agreement is entered into between and among nonparty Apple Inc. (“Apple”) and Sean  
 2 Wilson (“Plaintiff”), the named plaintiff in *Wilson v. Playtika Ltd.* No. 18-cv-05277-RSL (the  
 3 “Action”). Plaintiff and Apple anticipate that Apple will produce documents in this action that  
 4 contain sensitive consumer information. This agreement is intended to supplement the protective  
 5 order entered by the Court on September 6, 2018 (ECF No. 58) (“Protective Order”).

6 Pursuant to Rule 26(c) of the Federal Rules of Civil Procedure, the Court finds good  
 7 cause for the following Agreed Rider To Protective Order Regarding The Use And Disclosure  
 8 Of Discovery Produced By Nonparty Apple Inc. (“Rider”).

#### 9 **PURPOSES AND LIMITATIONS**

10 Apple Protected Material designated under the terms of this Rider shall be used by the  
 11 Parties solely for the purpose of providing notice to and verifying and paying the recovery amount  
 12 owed to each member of the Settlement Class. Apple Protected Material shall not be used directly  
 13 or indirectly for any other purpose whatsoever.

14 No Apple Protected Material provided by Apple to the Class Action Administrator under  
 15 the terms of this Rider may be shared with any of the Parties, unless specifically authorized by this  
 16 Rider.

17 It is the intention of Apple and the Parties that this Rider will protect all materials produced  
 18 by Apple in the Actions unless otherwise specified.

#### 19 **DEFINITIONS**

20 “Class Action Administrator” means Heffler Claims Group, acting as class action  
 21 administrator to effect the Class Action Settlement Agreement entered.

22 “Class Action Settlement Agreement” means the document filed at ECF No. 121-1  
 23 in the Action.

24 “Outside Counsel” means (i) outside counsel who appear on the pleadings as  
 25 counsel for a Party and (ii) partners, associates, and staff of such counsel to whom it is reasonably  
 26 necessary to disclose the information for this litigation.

1 “Apple Protected Material” means any discovery produced by Apple in the  
2 Actions.

3 “Settlement Class” has the meaning provided in the Class Action Settlement  
4 Agreement.

5 **COMPUTATION OF TIME**

6 The computation of any period of time prescribed or allowed by this Order shall  
7 be governed by the provisions for computing time set forth in Federal Rules of Civil  
8 Procedure 6.

9 **SCOPE**

10 The protections conferred by this Rider cover not only the Apple Protected Material  
11 governed by this Rider as addressed herein, but also any information copied or extracted therefrom,  
12 as well as all copies, excerpts, summaries, or compilations thereof, plus testimony, conversations,  
13 or presentations by Parties or their counsel in court or in other settings that might reveal Apple  
14 Protected Material.

15 Nothing in this Rider shall prevent or restrict Apple’s own disclosure or use of its  
16 own Apple Protected Material for any purpose, and nothing in this Rider shall preclude Apple  
17 from showing its Apple Protected Material to an individual who prepared the Apple Protected  
18 Material.

19 **DURATION**

20 Even after the termination of this case, the confidentiality obligations imposed by  
21 this Order shall remain in effect until a Producing Party agrees otherwise in writing or a court order  
22 otherwise directs, subject to the Final Disposition clause herein.

23 **ACCESS TO APPLE PROTECTED MATERIAL**

24 **Basic Principles.** All Apple Protected Material shall be used solely for the purpose  
25 of providing notice to and verifying and paying the recovery amount owed to members of the  
26 Settlement Class, and not for any other purpose whatsoever, including without limitation any other  
27

litigation, patent prosecution or acquisition, patent reexamination or reissue proceedings, or any business or competitive purpose or function. Apple Protected Material shall not be provided, distributed, disclosed, or made available to anyone except as expressly provided in this Rider.

Secure Storage, No Export. Apple Protected Material must be stored and maintained by a Receiving Party at a location in the United States and in a secure manner that ensures that access is limited to the persons authorized under this Rider. To ensure compliance with applicable United States Export Administration Regulations, Apple Protected Material may not be exported outside the United States or released to any foreign national (even if within the United States).

Legal Advice Based on Apple Protected Material. Nothing in this Rider shall be construed to prevent counsel from advising their clients with respect to this case based in whole or in part upon Apple Protected Materials, provided counsel does not disclose the Apple Protected Material itself except as provided in this Rider.

Limitations. Nothing in this Rider shall restrict in any way Apple's use or disclosure of its own Apple Protected Material.

Designation. For the avoidance of doubt, in all circumstances not specifically addressed by this Rider, all Apple Protected Material shall be treated as if designated "CONFIDENTIAL" under the Protective Order regardless of whether the Apple Protected Material has been stamped or marked in accordance with that Order.

#### **USE OF PROTECTED MATERIAL**

It is Apple's and the Parties' intention that Apple will produce Apple Protected Materials directly to the Class Action Administrator, with no production to any of the Parties.

Unless otherwise ordered by the Court or authorized through the prior written consent of Apple, the Class Action Administrator may disclose Apple Protected Materials only to those members of the Class Action Administrator's staff, or to any copying, clerical or other support services working at the direction of the Class Action Administrator, to whom disclosure

1 is reasonably necessary in order to provide notice to and/or to verify and pay the recovery amount  
2 owed to members of the Settlement Class, provided that each such person to whom disclosure is  
3 made must first agree to be bound by the provisions of this Rider by signing a copy of Exhibit A.

4 Nothing in the foregoing paragraph is intended to restrict the Class Action  
5 Administrator from disclosing to a member of the Settlement Class any Apple Protected Material  
6 that specifically relates to that individual.

7 Certain Members of the Settlement Class: Thirty days prior to the claims deadline,  
8 and subject to Apple's prior written consent (such consent not to be unreasonably withheld), the  
9 Class Action Administrator shall furnish to Counsel for Plaintiffs the contact information for and  
10 Lifetime Spending Amount associated with each Settlement Class Member who (1) has a Lifetime  
11 Spending Amount of greater than or equal to \$25,000, and (2) has not yet filed a claim.

12 For the avoidance of doubt, no Settlement Class Member contact information or  
13 Lifetime Spending Amounts shall be provided to Counsel for Plaintiffs unless Counsel for  
14 Plaintiffs have been appointed by the Court as Class Counsel.

15 Any contact information disclosed to counsel for Plaintiffs pursuant to this section  
16 shall be used solely for the purpose of providing notice of the Class Action Settlement Agreement  
17 to members of the Settlement Class, and counsel for Plaintiffs shall disclose Contact Information  
18 only to counsel's staff, or to any copying, clerical or other support services working at the direction  
19 of counsel for Plaintiffs, to whom disclosure is reasonably necessary to provide notice to the  
20 member. All Contact Information relating to a member of the Settlement Class shall be destroyed  
21 by counsel for Plaintiffs upon confirmation that the member has received actual notice of the Class  
22 Action Settlement.

### 23 **CHALLENGING DESIGNATIONS OF PROTECTED MATERIAL**

24 This Rider is intended to provide no mechanism to the Parties through which they  
25 can challenge the designation or protected status of Apple Protected Materials.

1                   **SUBPOENAS OR COURT ORDERS**

2                   If at any time Apple Protected Material is subpoenaed by any court, arbitral,  
3 administrative, or legislative body, the Party to whom the subpoena or other request is directed  
4 shall immediately give prompt written notice thereof to Apple and to its counsel and shall provide  
5 Apple with an opportunity to move for a protective order regarding the production of Apple  
6 Protected Materials implicated by the subpoena.

7                   **FILING PROTECTED MATERIAL**

8                   Absent written permission from Apple or a court Order secured after appropriate  
9 notice to all interested persons, the Parties may not file or disclose in the public record any Apple  
10 Protected Material.

11                   **INADVERTENT DISCLOSURE NOT AUTHORIZED BY ORDER**

12                   In the event of a disclosure of any Apple Protected Material pursuant to this Rider  
13 to any person or persons not authorized to receive such disclosure under this Rider, the Party  
14 responsible for having made such disclosure, and each Party with knowledge thereof, shall  
15 immediately notify counsel for Apple and provide to such counsel all known relevant information  
16 concerning the nature and circumstances of the disclosure. The responsible disclosing Party shall  
17 also promptly take all reasonable measures to retrieve the improperly disclosed Apple Protected  
18 Material and to ensure that no further or greater unauthorized disclosure and/or use thereof is made

19                   Unauthorized or inadvertent disclosure does not change the status of Apple  
20 Protected Material or waive the right to hold the disclosed document or information as Protected.

21                   **FINAL DISPOSITION**

22                   Not later than ninety (90) days after closure of the Final Disposition of this case,  
23 each Party and the Class Action Administrator shall return all Discovery Material of a Producing  
24 Party to the respective outside counsel of the Producing Party or destroy such Material, at the  
25 option of Apple. For purposes of this Order, "Final Disposition" occurs after an order, mandate,  
26 or dismissal finally terminating the above-captioned action with prejudice, including all appeals.  
27

1 All Parties that have received any such Discovery Material, as well as the Class  
2 Action Administrator, shall certify in writing that all such materials have been returned to counsel  
3 for Apple or destroyed.

4 **MISCELLANEOUS**

5 Termination of Matter and Retention of Jurisdiction. The Parties and Apple agree  
6 that the terms of this Rider shall survive and remain in effect after the Final Determination of the  
7 Actions. The Court shall retain jurisdiction after Final Determination of the matter to hear and  
8 resolve any disputes arising out of this Rider.

9 Successors. This Rider shall be binding upon Apple and the Parties hereto, their  
10 attorneys, and their successors, executors, personal representatives, administrators, heirs, legal  
11 representatives, assigns, subsidiaries, divisions, employees, agents, retained consultants and  
12 experts, and any persons or organizations over which they have direct control.

13 Modification by Court. This Order is subject to further court order based upon  
14 public policy or other considerations, and the Court may modify this Order *sua sponte* in the  
15 interests of justice. The United States District Court for the Western District of Washington is  
16 responsible for the interpretation and enforcement of this Order. All disputes concerning Apple  
17 Protected Material, however designated, produced under the protection of this Order shall be  
18 resolved by the United States District Court for the Western District Washington.

19 Discovery Rules Remain Unchanged. Nothing herein shall alter or change in any  
20 way the discovery provisions of the Federal Rules of Civil Procedure, the Local Rules for the  
21 United States District Court for the Western District of Washington, or the Court's own orders.  
22 Identification of any individual pursuant to this Protective Order does not make that individual  
23 available for deposition or any other form of discovery outside of the restrictions and procedures  
24 of the Federal Rules of Civil Procedure, the Local Rules for the United States District Court for  
25 Western District of Washington, or the Court's own orders.
